EBAYC builds supportive relationships with young people to empower them to be safe, smart and socially responsible.

MISSION

If EBAYC provides intensive support to hard-to-reach young people most impacted by poverty, violence and trauma; and if EBAYC transforms schools to be neighborhood-serving youth and family service centers; and if EBAYC organizes families to increase public investments that improve young people’s lives, then EBAYC advances its mission.

“In my over 40 years in this work, I have never witnessed this level of devastating impact on our youth, families, and community - from the learning loss to deaths of loved ones, unemployment, mental health risks and more. Yet, we all come together and uplift each other. The resiliency, commitment, care and love that our youth, families, staff, volunteers, and donors have shown is profoundly inspiring.”

- David Kakishiba, EBAYC Executive Director

**OAKLAND**

Our programs provide homework support, mentoring, case management, enrichment electives, college and career workshops and more to youth.

**SACRAMENTO**

EBAYC Sacramento provides intensive case management services and supports young people as they transform themselves, their neighborhoods and their communities. We serve young people living in high-need, predominantly Asian neighborhoods.
