YEAR END snapshot

EBAYC

Where young people grow, thrive and lead!

VISION

We envision young people growing to be life-long builders of a just and compassionate multicultural society.

MISSION

EBAYC builds supportive relationships with young people to empower them to be safe, smart and socially responsible.

THEORY OF CHANGE

If EBAYC provides intensive support to hard-to-reach young people most impacted by poverty, violence and trauma; and if EBAYC transforms schools to be neighborhood-serving youth and family service centers; and if EBAYC organizes families to increase public investments that improve young people's lives, then EBAYC advances its mission.

Yet, we all come together and uplift each other. The resiliency, commitment, care and love that our youth, families, staff, volunteers, and donors have shown is profoundly inspiring."

- David Kakishiba, EBAYC Executive Director
